

TEXAS BOARD OF MEDICAL RADIOLOGIC TECHNOLOGY

BOARD MEETING
FRIDAY, JUNE 26, 2020
Video Conference

The Texas Board of Medical Radiologic Technology is posting the following Notice per Texas Government Code Sec. 551.041 and 551.127 and Texas Occupations Code Section 604.028.

On March 13, 2020, the Governor of Texas certified COVID-19 as posing an imminent threat of disaster to the public health and safety and declared a state of disaster in all counties of Texas. Pursuant to the certification, the Governor suspended certain open-meeting provisions that require government officials and members of the public to be physically present at a specified meeting location, in an effort to reduce meetings that assemble large groups of people.

Accordingly, the meetings will proceed by Microsoft Team video conference, as allowed under Texas Government Code, Sec. 551.127 and the Governor's suspension referenced above. The public and members may join the meetings by using the internet link below. Members of the public will have an opportunity to attend and participate virtually, and may address the Texas Board of Medical Radiologic Technology through public comment.
