

FORM Q
Work Experience
Closed Facilities
Texas Medical Board

You must attempt to have Form L completed for each facility listed under Work Experience.

If the facility is closed:

- Contact an individual in the organization responsible for the records and request completion of Form L. Submit the form to this agency in its original unopened envelope.
- If your attempt is unsuccessful state, in the space below:

- 1) What steps you took to obtain completion of Form L
- 2) Why they were unsuccessful
- 3) When the program closed and the reasons for the closure, to the best of your knowledge
- 4) In addition, if the facility is a hospital, have the hospital licensing authority in the state where the hospital was located provide a letter corroborating the closure of the hospital.
