The meeting was called to order at 9:35 a.m. by Acting Chair, Carol Waddell, MRT. Committee members present were Nicholas M. Beckmann, M.D., and Anthony “Tony” Jaso.

**Agenda Item 2 - Applicants appearing concerning eligibility.**

**Applicant #2048** appeared before the Committee on referral by the Executive Director. The applicant presented a brief summary and the Committee members asked questions. Following discussion, **Dr. Beckmann moved that the committee recommend to the full Board that the applicant be granted a Texas Medical Radiologic Technologist certificate contingent upon the applicant completing 24 hours of continuing education by January 1, 2018 and providing proof of completion of the courses to the Board.** This recommendation is due to the applicant’s time out of practice as a Medical Radiologic Technologist. **Mr. Jaso seconded the motion. All voted in favor. The motion passed.**

**Applicant #2040** appeared with counsel, Victoria Soto, before the Committee on referral by the Executive Director. The applicant presented a brief summary and the Committee members asked questions. Following discussion, **Dr Beckmann moved that the committee recommend to the full Board that the applicant be granted a Texas Medical Radiologic Technologist supervised temporary license with the following conditions:**

- **The supervised temporary certificate will have an expiration date that will allow the applicant to obtain at least 20 hours a week supervised practice for at least 40 weeks in a 12-month period subject to the following restrictions: that the applicant work full time, only in setting that provides continuous full-time, on-site supervision by a certified Medical Radiologic Technologist or licensed practitioner, as defined under Chapter 601 Texas Occupations Code; the supervising Medical Radiologic Technologist or practitioner shall submit quarterly reports regarding the applicant’s work performance; the supervising Medical Radiologic Technologist or practitioner shall submit, one month prior to the temporary certificate expiring, a**

log showing time worked and an evaluation regarding the applicant's work performance. If the reports are favorable, the applicant can be considered for full certification at the next regularly scheduled licensing date. If the reports are not favorable, the applicant will be required to reappear before the Licensure Committee at the end of 12-month period. If the applicant's supervised temporary certificate expires prior to the applicant's appearance before the Committee, board staff is directed to extend the supervised temporary certificate to accommodate the applicant.

- The applicant will be required to provide documentation of the continuing education courses that are required to maintain ARRT certification.
- The applicant will be required to opt-in to ARRT's Certification Quality Review program.

This recommendation is due to the applicant's time out of practice as a Medical Radiologic Technologist. **Mr. Jaso seconded the motion. All voted in favor. The motion passed.**

**Applicant #2029** appeared before the Committee on referral by the Executive Director. The applicant presented a brief summary and the Committee members asked questions.
