General Description

Performs complex (journey-level) licensing work for the Licensure Department of the Texas Medical Board, including all eight sub-boards and committees. Work involves receiving and reviewing license applications; ensuring compliance with applicable policies, rule, and statute; preparing reports summarizing and documenting licensure packet materials for File Review Group; and communicating with external and internal customers. Works under general supervision of the Licensure Analyst I Supervisor and Licensure Manager, with moderate latitude for the use of initiative and independent judgment.

Principal Duties and Responsibilities

- 80% Receives and reviews license and permit application packets. This includes examining and evaluating contents of low to moderate complexity application packets to verify completeness and accuracy and determine whether applicants are qualified to obtain desired licenses by evaluating compliance with applicable statute and Board rule; and when applicable, preparing reports summarizing and documenting licensure application packet materials for File Review Group.
- 10% Communicates professionally with internal and external customers, orally and in writing, regarding specific applicant files and licensure policies and procedures. Answers applicant questions and disseminates information regarding licensing policies, procedures, and regulations.
- 10% Performs related work as assigned, which may include evaluating and examining a limited quantity of high complexity applicant files under close supervision of Licensure Analyst I Supervisor or QA Specialist.

Experience and Education

- Graduation from standard senior high or equivalent is required
- Administrative and customer service experience required
- Experience reviewing and/or processing applicant files for a regulatory agency preferred
- Graduation from an accredited four-year college or university is preferred
- Education and experience may be substituted for one another

Knowledge, Skills, and Abilities

- Knowledge of statute, regulations and policies related to a state regulatory agency
- Knowledge of office practices and administrative procedures
- Skill in the use of standard office equipment, personal computers and personal computer software packages, specifically word processing and spreadsheet applications
- Skill in verbal and written communication (including telephone etiquette and business writing)

- Skill in establishing and maintaining cooperative working relationships
- Ability to communicate and interact effectively with members of the public
- Ability to prioritize work and meet deadlines
- Ability to establish goals and meet them.
- Ability to organize and handle multiple tasks with flexibility
- Ability to interpret policies and procedures and convey them to others
- Ability to consistently display a professional demeanor
- Ability to gather, assemble, correlate, and analyze facts
- Ability to prepare concise reports

Physical Requirements And/Or Working Conditions

The principal job are performed in a standard office environment and require :

- Regular and punctual attendance
- Frequent use of personal computer, copiers, printers, and telephones
- Frequent sitting
- Frequently working under deadlines, as a team player, and in direct contact with others
 - Compliance with all agency policies and procedures, including but not limited to applicable confidentiality, security and safety rules, regulations and standards
- If hired, must provide document(s) within three days of hire date that establishes identity and employment eligibility

New Hires/Rehires

60-day waiting period for health coverage

Remarks

If you are selected, you will be called for an interview. You may be asked to complete a practical test to demonstrate you have the required experience at the time of your interview. **Only applicants who are interviewed will receive written notification of application results.**

EQUAL EMPLOYMENT OPPORTUNITY EMPLOYER

The Texas Medical Board does not discriminate on the basis of race, color, national origin, sex, age, religion, disability or veteran status. Employment opportunities shall not be denied a qualified individual with a disability that requires a reasonable accommodation. The applicant should communicate requests for reasonable accommodations by calling (512) 305-7146.

Selective Service Requirement: If selected for employment, male applicants age 18 through 25 must present proof of registration or exemption with the federal Selective Service System
