## Criminal History

**\*IMPORTANT\*** - Under application questions #1 - #6 applicants must report all level of arrests and/or charges on their application ***no matter location of the incident, how long ago it occurred or the final outcome, including dismissals.*** The following must be reported -

- All arrests, **no matter how long ago, including juvenile offenses**
- Citations involving drugs or alcohol, **no matter how long ago**
- Serious traffic offenses, **no matter how long ago**, such as reckless driving, hit and run, evading arrest, etc...

An applicant's failure to report their complete criminal history can be considered falsification of their application, will extend the processing time, and could result in punitive action by the Board.

If an applicant believes an offense was expunged they will be required to provide a copy of the expunction order. **Please note that a non-disclosure order is not an expunction order and will not permit you to withhold information regarding an arrest, citation involving drugs or alcohol, or serious traffic offense.**

If an applicant has criminal history they will be required to submit the following documentation, at a minimum. Formal review of their application will also be required once all required information has been received.

<input type="checkbox"/>	<b>Form R</b>	A separate Form R must be completed for each incident. Applicants will need to provide a detailed statement including the events that led up to the arrest/charge. Please refer to the Form R for detailed instructions.
<input type="checkbox"/>	<b>Court Records</b>	Applicants must request the arresting city/county send a copy of the complete court records for each incident directly to the TMB. If records are no longer available have a letter sent indicating this.
<input type="checkbox"/>	<b>Arrest Records</b>	Applicants must request the arresting city/county send a copy of the arrest report for each incident directly to the TMB. If records are no longer available please have a letter sent indicating this.

## Active Practice

Under Board Rule 186.14 all NCT applicants must demonstrate current clinical practice as a medical radiologic technologist. Current clinical practice may be demonstrated by 1) currently practicing medical radiologic technology involving treatment of persons; 2) enrollment as a student at an acceptable approved medical radiologic technology school; or 3) appointment as an active teaching faculty member at an acceptable approved medical radiologic technology school. If an applicant cannot demonstrate current clinical practice as a medical radiologic technologist within the last three years from the date of application, they may be asked to provide at a minimum the information outlined below.

Per direction by the MRT Board additional requirements such as completion of continuing education (CE) courses, remedial education (including repeating an approved NCT program), a period of shadowing, and/or a personal appearance before the MRT Licensure Committee may be required based on the amount of time out of practice.

<input type="checkbox"/>	<b>Active Practice Statement</b>	A statement explaining how the applicant has kept current with the medical radiologic technology field, employment plans, and any CE courses in the past three years
<input type="checkbox"/>	<b>Proof of Continuing Education</b>	Copies of certificates or other proof of CE course completion during the two years preceding the application.
